

JACKSONVILLE, ILLINOIS, TUESDAY MORNING, JUNE 6, 1922

TEN PAGES THREE CENTS

FOREIGN

REPRESENTATIVES

ATTACKED

SENATOR WATSON CRITICIZES THEM FOR STATEMENT

Refers Specifically to the Remarks of Sir Auckland Geddes, British Ambassador, and Senator Ricci, Italian Ambassador

Says They Must Not Try to Dictate Policies

(By The Associated Press)

WASHINGTON, June 5.—Sir Auckland Geddes, British ambassador, Senator Ricci, Italian ambassador and representatives in this country of other foreign governments were attacked today in the senate by Senator Watson of Indiana, an administration leader, in connection with statements attributed to them with respect to American trade traffic and other subjects.

"We have no objection to these people expressing their honest views," Senator Watson said, "but we have objection to them trying to dictate the policies of the United States so long as they are accredited here representatives of their nations. This is an American government and it is to be dictated to only by the sovereign voice of the American people."

"Suppose Colonel Harvey should get up in London and tell them they had to pass a tariff bill or tell them they had to do some other thing or we would not do business with them. They would send him home and they ought to do it. It is not his business to go over there and dictate the policy of an European government. It is not their's to come here and dictate to us."

Senator Watson, who was delivering an address on the tariff read a published account of an address delivered by Sir Auckland Geddes in California last March in which it was stated since the United States held most of the world's supply of gold, some arrangement ought to be made whereby the British could pay for their purchases in the United States on other than a gold basis. As one means it was suggested that commerce between the two countries be carried in British ships.

"Must not have an American merchant marine?" exclaimed Senator Watson. "We must use British ships; we must employ the British merchant marine to do our carrying, this mighty nation situated as it is between the two imperial seas of the world that ought to have the carrying trade of the earth and carry American commerce in American ships. Our friend from abroad says we must not have an American merchant marine or they will not trade with us."

Reading from a statement credited to Ambassador Ricci to the effect that if the United States placed a high tariff on lemons and olives Italy would be compelled to impose high rates of American products, Senator Watson said this was a threat that if we put up the tariff and do not buy from them they will cease to buy from us."

"I have other quotations from the speeches of the ambassador which I shall not read," continued Senator Watson. "He further protested against our policy of immigration. He also attacked our policy of prohibition. What ever anyone else may think about it, it is our policy, we made it we are responsible for it."

The senator also quoted from speeches by British and French consul generals at a New York meeting of consuls of 37 nations in which as little interference as possible with foreign trade was advocated. At the same time he said Great Britain and France were increasing their tariffs.

"Free trade!" exclaimed Senator Watson. "It goes hand in hand with internationalism, hand in hand with the league of nations."

BEARDSTOWN MAN HEADS COMMISSION

(By The Associated Press)

CHICAGO, June 5.—Organization of the Illinois Pharmacy commission, a branch of the state department of registration and education, was completed at a meeting here today.

W. S. Denton of Beardstown, was elected chairman, and Ray Barnes of Bushnell, secretary. D. P. Siebert of Chicago, replaced Ike Platt, also of Chicago, as a member of the commission. The other members remain unchanged. The committee will conduct examinations this week at the University of Illinois College of Pharmacy.

CAIRO LIBRARIAN KILLED BY STREET CAR

(By The Associated Press)

CAIRO, Ill., June 5.—Mrs. L. L. Powell, librarian since establishment of the first public library in Cairo, more than 40 years ago, died this afternoon of injuries received when struck by a street car.

The cross-examination was not concluded when court adjourned.

WENT TO LAKE MATANZAS

A party of Murrayville residents made a trip to Lake Matanzas on Sunday. The number included Mr. and Mrs. S. B. Robinson, Miss Ruth Jones and George Kennedy.

COAL AGREEMENT WILL CAUSE RISE IN RETAIL PRICE

This is Opinion Ex-
pressed by Head of
Retail Association

(By The Associated Press)

WASHINGTON, June 5.—Retail coal prices will "rise" as much at \$1.75 a ton because of the advance in the price of coal at the mines under the agreements reported last week with operators in the producing fields, Secretary Hoover was informed today by Roderic Stephens of New York, chairman of the board of the National Retail Coal Merchants association.

Mr. Hoover met with about 45 members of the association to discuss the cooperation of the retailers in the commerce department's efforts to prevent runaway coal prices but the conference developed principally into a colloquy between Mr. Stephens and Mr. Hoover over a probable increase in the price of coal to the household. The voluntary cooperation of the association to prevent undue price advances was pledged by Mr. Stephens. Establishment of a maximum of \$3.50 a ton for coal at the mines, Mr. Stephens contended will mean an increase of \$1.75 a ton in the retail price in Maine and the northwest, while immediate advances could be expected in Chicago and New York.

The necessity for advancing the retail prices, he said, was due to the prices fixed by the operators and the long transportation now necessary from non-union fields. Arrangements fixing fair prices with the operators, he added, had modified rises in the retail prices which might have reached even higher levels.

WILL NOT STAND FOR IT.

Mr. Hoover declared that he "simply would not stand" for retailers blaming the increases on the fair prices fixed with the operators asserting that the wholesale price of coal had been reduced considerably and that those who had coal under contract were under a moral obligation to pass on the benefits of the fair price to the public. Mr. Stephens maintained that very few retailers had coal under contract and only a small tonnage and that there would have to be an increase in the price of retail coal due to the rise at the mines. He offered to cooperate with any committees set up by the department to handle the coal price situation but Mr. Hoover declared that no organization was to be established to control the coal industry only "moral cooperation" being relied upon.

Attorney General said that the consuming public must pay a reasonable handling charge for its coal above its cost of fuel, asserting that the present demand for coal was not heavy, there being more coal in the market than needed and that there was no tendency of prices to harden.

He agreed with the retailers that before cases of undue prices being charged were made the basis for statements by the commerce board the facts in each instance should be fully investigated.

The senator also quoted from the speeches of the ambassador which I shall not read," continued Senator Watson. "He further protested against our policy of immigration. He also attacked our policy of prohibition. What ever anyone else may think about it, it is our policy, we made it we are responsible for it."

The senator also quoted from speeches by British and French consul generals at a New York meeting of consuls of 37 nations in which as little interference as possible with foreign trade was advocated. At the same time he said Great Britain and France were increasing their tariffs.

"Free trade!" exclaimed Senator Watson. "It goes hand in hand with internationalism, hand in hand with the league of nations."

WEATHER

(By The Associated Press)

ILLINOIS.—Generally fair Tuesday and probably Wednesday; warmer Tuesday near Lake Michigan.

TEMPERATURES

The current, maximum and minimum temperatures as recorded Monday were:

Jacksonville, Ill.	79	85	53
Boston	78	88	64
Buffalo	68	74	62
New York	72	76	68
Jacksonville, Fla.	76	86	68

Detroit	70	76	64
Minneapolis	80	86	60
Helena	76	80	51
San Francisco	58	60	50
Winnipeg	86	96	60
Cincinnati	89	84	62

BRIEFS

(By The Associated Press)

CHICAGO, June 5.—State authorities have been asked to investigate the fire which destroyed St. Peter and Paul's Roman Catholic church at Napererville with a loss of \$75,000 yesterday. Many parishioners expressed the belief that the blaze was of incendiary origin. Plans had been made to celebrate the seventieth jubilee of the church next fall.

OMAHA, Neb., June 5.—Brig. Gen. William R. Sage, 65, commanding officer of Fort D. A. Russell, Wyo., died in a hospital yesterday. He had stopped at Fort Crook, enroute to Washington, D. C., and was taken seriously ill on Tuesday. The body was shipped to Washington, for interment at Arlington cemetery. Hart, Hanson and Francis E. Croaklin. A statement issued by the mayor said:

"The mayor, in the interest of the school children on account of the quarrel in the school board thinks it is best for the interests of the schools that the entire board of education resign to permit him to appoint a new board free from fractional differences. It is enacted that all agree.

"My resignation was demanded by the mayor but I absolutely refused to resign" said Mr. Hanson, as he left a meeting of the board members with the mayor.

"I informed the mayor that I intended to continue as a member until my term ends next June. It is my intention of fighting for the school children of Chicago."

It was said that no action was taken in the cases of William A. Bither, attorney for the board and Charles Forsberg its business manager. Asked whether they would resign, James W. Breen, first assistant corporation counsel said:

"That is for the new board to decide."

Peter A. Mortensen, superintendent of schools will not be affected by the change as his term is fixed by statute it was announced.

Attorney Bither and H. W. Kaup, a real estate agent recently were indicted in connection with the sale of about 90 houses on school board property. Both are awaiting trial on conspiracy charges. At the meeting between the mayor and board members today the discussion became so heated at times that blows were thrown.

The president's letter was received at the capitol simultaneously with the beginning of the conferences between house and senate delegations on the bill and served to bolster the senate conference.

Mr. Harding expressed the fear that were the house provisions to prevail and property damage was done the Coronado and eight other mines controlled by the Bache-Denman Coal company. The United Mine Workers contested the jurisdiction of the federal courts on the ground that being an unincorporated association of mine workers it was not subject to prosecution under the Sherman anti-trust laws.

Five questions were presented.

Chief Justice Taft said:

"First, whether there had been a correct selection of the parties to be sued

"Second, whether the parties not

"Third, whether the United

"Fourth, whether the Senate amendment could be held liable;

"Fifth, whether there was evidence to show that the conspiracy alleged did restrain or monopolize interstate commerce and fifth, whether the Senate amendment could be held liable;

"Sixth, whether the Senate amendment could be held liable;

"Seventh, whether the Senate amendment could be held liable;

"Eighth, whether the Senate amendment could be held liable;

and also the local news published
herein.

Judging from newspaper comment upon the subject, there is at least interest sufficient in the Chapin community high school question to insure a heavy vote next Saturday.

The comment of the press throughout the country indicates the belief that Senator Watson of Georgia has mistaken his calling and should be engaged in the prize ring instead of serving his country down at Washington.

HARD TIMES MAKE BETTER FARMERS

Director Kendall, of New Hampshire agricultural extension work calls our attention to the fact that 174 communities in his state have drawn up definite programs for better farming, and 900 farm men and women are doing committee work to see that these programs are carried out.

The projects include dairy improvement, poultry management, lime and legumes, gardening, orcharding, certified seed, co-operative buying and selling, home improvement, etc.

What is being done in New Hampshire is being done to a greater or less degree in every state, and perhaps in every country in the nation. The effect of all this will be incalculable, and we may expect our national ag-

jurors is indicated by their latest request. The men entered a plea to be allowed to mow the lawn and plant the garden at the presiding judge's home. There is more in that request than appears at first glance. No doubt some of the jurors thought their period of service would afford rest and recreation, a change from their every day work. Now idleness has paled upon them and they feel the urgent need for "something to do."

BALANCED BUDGETS

The external debt of Great Britain has been reduced from 1,365,000,000 pounds on March 31, 1919, to 1,020,000,000 pounds on March 31, 1922. Some of that total represents payments to the United States, and arrangements will soon be made thru our debt refunding commission for the systematic liquidation of the balance. What had happened in Great Britain could be repeated in principle by all other countries owing the United States money. It is simply a question of balanced budgets, and requires only the will of a government to put it into execution.

Wheat prices have continued to decline and the prices now quoted mean about \$1 a bushel to the farmer. This situation is causing the farmers to revive the old charge that the grain men are preparing to buy their crops.

There seems to be a difference of opinion about the benefits of the agreement Secretary Hoover made with the operators about a "fair price" for coal. Some of the coal men insist that because of these prices that additions ranging from \$1.75 to \$3 per ton in the retail price will be necessary.

Mr. Hoover resents the implication that his action is the basis for the advance.

The unhappy state of the Small

riculture to be the most efficient of all our great industries within a short time. The fact that the farmers have been driven by hard times into scientific management may be unfortunate, but the results will be all to the good—Farm Life.

CLASS DAY EXERCISES AT ROUTT COLLEGE

Were Held in Auditorium of College Monday Afternoon—Commemoration This Evening.

The Annual class day exercises were held at Routt College Monday afternoon. The auditorium of the school where the program was given was filled with friends and relatives of the graduating class and the program which the young people had arranged was clever and interesting. The following numbers were given by members of the graduating class:

President—L. W. Rodenberg.

First Vice President—Margaret Green, (A stenographer in the glass works at Alton, Illinois.)

Second Vice President—Early Knowles, (Circulation manager of one of the daily papers of Denver.)

Secretary—Miss Theodore Franken, (Instructor in the School.)

Treasurer—George Gerlach, (Teacher of piano at the School.)

Perhaps the most significant business enacted by the Alumni association yesterday was the establishment of a home for blind women. The inspiration for such an action came from the sum of over \$3,500 left by one of the members, Mary F. Bryant, who died last year. Having been home for many years, and having always looked forward to a time when she might enjoy the comforts of such a home, she died without realizing her hopes. It is quite remarkable that she could have saved such an amount from her salary at the school, as a mere assistant to one of the house mothers. It was entirely unexpected that she should have willed her money to the purpose of the home. It now becomes the intention of the committee to secure funds for the enlargement of the nucleus, until sufficient means are in hand to open a small home. Five or six such homes are already in existence in the United States. Miss Bryant's will specifies a home in this state. A survey of conditions in the homes in the other states shows that the inmates are not helpless, but that they earn at least a part of their maintenance by work of various kinds, such as fancy work, weaving, etc. An intimate knowledge of the sufferings of many blind women, not so well fitted to brave the misfortunes which the world has given them as the blind men, quickly appeals to the sympathy, and it is sincerely hoped that the committee will succeed in its worthy work.

"Chief of the Arab Band" (Bliss).

"Irish Folk Song"—Two songs by Glee club.

Commencement Address—Hon. Patrick H. O'Connell.

"The Little Dustman" (Brahms); "My Johnnie" (Taylor)—Songs by Glee Club.

Presentation of Diplomas—Father F. F. Formaz.

"I Hear a Trust" (Cadmian); "Soldiers' Chorus" (Gounod)—Songs by Glee Club.

Only a brief and simple exercise has been planned by the college. The Glee club will carry the main part of the program, the address by Mr. O'Donnell will be the chief feature.

COURIER CARRIERS ENJOYED OUTING

Lads Had Fine Time on Week End Expedition to Meredosia.

WILL ASK LEGISLATION

Several resolutions were also passed regarding the welfare of blind people residing in this state. In the absence of a state wide association to champion the rights of the blind in Illinois, the local alumni association has stepped into the breach somewhat, that scope of the work considered:

It was voted to petition the state legislature of Illinois to allow a blind man's friend to mark his ballot for him at the polls during an election. Heretofore the judges of the election have had that power, but much dissatisfaction has arisen from that provision.

Boating was the main sport of the morning, but the boys stopped long enough before noon time to spend a quiet half hour in the study of the Sunday school lesson.

After a fine dinner all were taken on the motor boat Red Wing for a cruise to LaGrange locks and return. Some time was spent in inspecting the locks and the whole trip was one of the big features of the outing. Following the return lunch was served cafeteria style and the boys were ready for the return "truck" trip to Jacksonville. Among other features of entertainment which was greatly enjoyed by the boys was a trip on the ferry boat which was thru the courtesy of Mr. McGinnis.

Miss Grace Campbell of this city went to Milwaukee yesterday where she will spend a month as the guest of her aunt, Miss Isabel Baldwin, who teaches Domestic Science in the schools there.

A banquet was given in the dining hall at the school yesterday evening at 6 o'clock, about eighty persons attending. Mr. Hugh Elson acted as toastmaster.

The members present in the meeting subscribed \$114 to defray the expenses of the committee.

In addition to this \$98 was subscribed to the trust fund which is held for loans to blind persons beginning in some occupation or business.

A banquet was given in the dining hall at the school yesterday evening at 6 o'clock, about eighty persons attending. Mr. Hugh Elson acted as toastmaster.

The graduation exercises will be held on the 14th of June, Mother Cesians conferring the medals upon the graduates.

GRADUATE AT SACRED HEART

Among the names on the roster of the graduates of the Class of '22 at the Sacred Heart Academy at Springfield, are those of Misses Helen Dolan and Mary Johnson of this city. The graduation exercises will be held on the 14th of June, Mother Cesians conferring the medals upon the graduates.

KENTUCKY MAN MANY TIMES IN STAR ROLE

HARLEM, Ky., June 5.—Arrived

at a baby at the home of Robert Baker, 84, a dairymen, was announced today. At the same time it was said that the advent of the newcomer marked the 33rd time Mr. Baker starred in the role of daddy. Mrs. Baker, who is 35, is his seventh wife. She has presented her husband with eight children in 14 years.

It was also voted to petition the state legislature to allow suitable funds for the hiring of sighted readers for blind students who attend the universities and colleges in pursuit of a broader education. Other states have allotted sums of \$400 for such purposes for each student.

The members present in the meeting subscribed \$114 to defray the expenses of the committee. In addition to this \$98 was subscribed to the trust fund which is held for loans to blind persons beginning in some occupation or business.

A banquet was given in the dining hall at the school yesterday evening at 6 o'clock, about eighty persons attending. Mr. Hugh Elson acted as toastmaster.

The graduation exercises will be held on the 14th of June, Mother Cesians conferring the medals upon the graduates.

BLIND ALUMNI IN BI-ENNIAL SESSION

MUCH BUSINESS OF IMPORTANCE
TRANSACTED—BANQUET IS GIVEN AND DANCE IN GYMNASIUM FOLLOWS.

The Alumni Association of the Illinois School for the Blind held their bi-annual meeting yesterday afternoon at the school. Fred G. Meyers, acting as presiding chairman in place of Dr. Finley Lockaby, a graduate of the school, who is now practicing osteopathy in Charleston, Mo. The following were the officers elected:

President—L. W. Rodenberg.

First Vice President—Margaret Green, (A stenographer in the glass works at Alton, Illinois.)

Second Vice President—Early Knowles, (Circulation manager of one of the daily papers of Denver.)

Secretary—Miss Theodore Franken, (Instructor in the School.)

Treasurer—George Gerlach, (Teacher of piano at the School.)

Perhaps the most significant business enacted by the Alumni association yesterday was the establishment of a home for blind women. The inspiration for such an action came from the sum of over \$3,500 left by one of the members, Mary F. Bryant, who died last year. Having been home for many years, and having always looked forward to a time when she might enjoy the comforts of such a home, she died without realizing her hopes. It is quite remarkable that she could have saved such an amount from her salary at the school, as a mere assistant to one of the house mothers. It was entirely unexpected that she should have willed her money to the purpose of the home. It now becomes the intention of the committee to secure funds for the enlargement of the nucleus, until sufficient means are in hand to open a small home. Five or six such homes are already in existence in the United States. Miss Bryant's will specifies a home in this state. A survey of conditions in the homes in the other states shows that the inmates are not helpless, but that they earn at least a part of their maintenance by work of various kinds, such as fancy work, weaving, etc. An intimate knowledge of the sufferings of many blind women, not so well fitted to brave the misfortunes which the world has given them as the blind men, quickly appeals to the sympathy, and it is sincerely hoped that the committee will succeed in its worthy work.

WORD RECEIVED

Word was received here yesterday of the death of Albert Muehlhausen, formerly of this city at Dr. Evans' sanatorium at Colorado Springs, where he had been for four years in an effort to regain his health. Death occurred at 8:30 o'clock Monday morning.

Decedent was the son of Mr. and Mrs. G. A. Muehlhausen and was born in 1895. The family removed to Jacksonville while he was yet an infant. Mr. Muehlhausen was quite prominent in local work, being a member of Jacksonville Lodge No. 576, A. F. & A. M. and Urania Lodge No. 243, I. O. O. F. He was also a member of Centenary M. E. church prior to his going west, later becoming affiliated with the Methodist church at Colorado Springs.

The following are the surviving brothers and sisters in addition to the parents: Miss Minnie Muehlhausen, Colorado Springs; Mrs. Frank Muehlhausen and Mrs. O. H. Lindemann, Jacksonville, and Edward Muehlhausen of Colorado Springs. One brother, Henry, preceded him in death.

The remains are expected to arrive in this city sometime Thursday. They will be taken to the Gillihan Funeral Home on arrival. The funeral will be announced later.

ALL READY FOR

MEMBERSHIP DRIVE

J. H. McLaughlin of the American City Bureau, who is to direct the campaign for new members of the chamber of commerce, arrived in Jacksonville yesterday morning.

He was in conference with Secretary Welch during the day and in the afternoon at 4 o'clock met with the captains of the several teams.

Earl M. Spink is vice chairman of the special campaign committee. The captains looked over the lists of prospects and there was a considerable amount of work remaining to be done on the first and second floors and in the basement.

The complete program for the day follows:

TRIP OF INSPECTION OF NEW

A. M. ADDITION

8:00 Hysterectomy for Uterine Fibroid.

9:00 Plating for Fracture of Femur; Eye, Ear, Nose and Throat Clinic.

10:00 Gastro-Enterostomy for Obstruction, Neurological Clinic

Dr. F. P. Norbury.

10:00 Thyroideotomy; Demonstration of Cultures from Sporothrix Infection of Hand; Demonstration of Spleen Removed for Banti's Disease—Dr. Garn Norbury.

Demonstration of Foreign Body in the Eye—Dr. A. J. Adams.

11:30 Plastic Operation for Reconstruction of Nose, Jaundice, Differential Diagnosis—Dr. E. W. Bowe.

P. M. 12:30 Luncheon

1:30 History of the Hospital—Dr. J. W. Hairgrove.

1:45 Hospital Standardization

Rev. C. B. Moulliner, President Catholic Hospital Association.

2:30 Anterior Polymyelitis, With Lantern Slides—Dr. F. P. Norbury.

3:15 Choroid-Carcinoma of Ovary, With Lantern Slides—Dr. John Beverley Moore, Benton, Illinois.

4:00 Anomalies and Disorders of Colon, With Lantern Slides—Dr. Carl E. Black.

4:45 Disease of Chest, With Lantern Slides—Dr. H. A. Chapman.

5:15 Bone Disease, with Lantern Slides—Dr. F. A. Norris.

6:00 Dinner, Peacock Inn.

No Evening program.

Common Sense About Eczema and Eruptions!

Here's Something About S. S. That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, blisters, boils, acne and rashes on the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it.

When the cause of skin troubles and eruptions is in the blood, it isn't com-

mon sense to simply treat the skin.

What is happening in your blood?

S. S. is a scientific blood cleanser—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, pustules, acne, acne, acne, acne.

With these impurities are driven out,

you can't stop several very nice things from happening. Your lips turn naturally rosy. Your eyes sparkle your complexion becomes the red kind that the sun loves to touch. S. S. is also a powerful body-builder, because it builds new and more blood-cells. That's why it fills out sunken cheeks, bony necks, thin limbs helps regain lost weight. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Let S. S. Give You An Angelic Skin!

A bottle of S. S. will give you a

whole new life.

FIRST STEP TAKEN BY GOVERNMENT ON WAR FRAUD CASES

(Continued from Page One) today that Mr. Phillips was seen in the corridor outside the grand jury room on Thursday.

Refuses Formal Statement.
Mr. Phillips tonight refused to make a formal statement at this time but declared that all his transactions with the government had always "been clean and above board," and were matters of record. He attributed the issuance of a warrant for his arrest to politics.

Mr. Phillips said he first learned last Wednesday evening that the grand jury was considering the lumber case and the next day visited the building out of curiosity. He saw some of his friends in the lumber business he said, and was not in the building more than seven minutes.

The complaint made public today recited that at a conference between the officers of the war department the war industries board and the war service committees on building materials in January 1919, to devote methods for disposal of surplus lumber. It was arranged in order to protect the industry, for the sales to be made thru existing organizations within the industry and the war department agreed to recognize Mr. Phillips and Mr. Stephens, as agents of the lumber interests in the handling of the sales.

Phillips and Stephens were to distribute the lumber, the complaint said and were not to receive any compensation other than 12 percent commission which was considered sufficient to cover expenses of distribution. The arrangement was embodied in a contract which was formally executed by C. W. Hare, on behalf of the government and Phillips and Stephens, February 25, 1919.

Embodying in the complaint was the text of a letter dated May 2, 1919, alleged to have been written by Phillips to Roland Perry of Washington, D. C. It read as follows:

"In consideration of your having furnished information relative to purchase and sale of your services in aiding us to purchase from Phillips and Stephens approximately 400,000,000 feet of lumber at Nenah, and supplying information as to how and where to sell the lumber at a profit and your agreement to serve us in connection with the shipment and our efforts to market all of this lumber up to one half of your time we agree to pay you \$2 per thousand foot upon all lumber sold and purchased by us in lieu of salary and traveling expenses and in full compensation for your services.

"Yours truly (Signed)
"Metropolitan Lumber Co.,
"A. A. Henry, Pres."

PROSPERITY SPECIAL

REACHES ST. LOUIS
EAST ST. LOUIS, Ill., June 5—The "prosperity special," a train of 20 oil burning locomotives built for the Southern Pacific Railway company arrived here tonight on its cross country trip from Philadelphia to Corsicana, Texas, where the locomotives will be turned over to the railroad. The train will continue the trip Wednesday morning.

MASON FAMILY HELD REUNION SUNDAY

Large Gathering at Strickner Home Near Concord —An Enjoyable Event.

The reunion of the Mason family held at the home of Thomas Strickner near Concord Sunday proved a very happy event. Members of the family from Jacksonville and various parts of the county, in addition to those from Chicago were present.

At noon time a splendid dinner was served and the afternoon hours were spent in a most delightful way socially. Among those who attended were Mr. and Mrs. Warren Mason, Mr. and Mrs. Frank Mix of Chicago, who are guests at the home of George Mason of Webster Avenue, Mr. and Mrs. Charles Mason and children, Maurle, Esther, Harold and Ruth Mason; Mr. and Mrs. Wall Mason and family, Marie, Everett, Featha, Floyd, Clyde, Raymond and Paul Mason; Lee, Mason and children, Irene, Russell and Byron Mason; Mr. and Mrs. Charles Mason and children, Alma and Charles; Mr. and Mrs. Thomas Strickner and children, Esther, Harold, Virgil and Donald; Mr. and Mrs. Oscar Peever and children, Floyd and Eleanor; Mr. and Mrs. Floyd Goodpasture, Mrs. Marvin Strickner, Miss Fannie Devore, George Mason.

One ledger, rubber stamp, 500 time certificates of deposit, 500 demand certificates of deposit, 500 deposit slips, 500 letterheads and 500 envelopes, constituted the equipment ordered from him for the bank, Mr. Jackson testified.

JURY OBSTACLES

BERLIN — Although public mendicancy is forbidden by law, the streets of Berlin are full of beggars who, especially after dusk importune passersby with harrowing tales, some of which may be true.

Mutilated war victims, who exhibit genuine scars on the sidewalk, are always sure of public charity, but many others of the fraternity resort to more or less transparent tricks to excite compassion. They have established a "trade union" in a northern suburb where, according to reports, about 150 learners are being trained in the art of begging, including "making up."

The theoretical part of this course alone takes 6 weeks, and is followed by practical course at race meetings and at doors of churches, theaters and cafes.

The city is divided into districts by the "union" which places a certain number of certified pupils in charge, changes shifts weekly, and collects and distributes the proceeds.

Every day it is stated, an average west-end district brings in about 3,000 marks. Certain favorite sections command premiums up to 500 marks per day.

These professional beggars are keen judges of human nature. Wealthy Russians are said to be their best patrons. Americans, on the other hand, are an everlasting puzzle to them. Sometimes they say Americans are extremely generous and hand out five, ten or twenty mark bills with princely liberality but others refuse to give anything.

NEW FIRM ACQUIRES HATFIELD BUSINESS

Clarence H. Swaby and Welby Johnson, who have been employees of C. L. Hatfield & Co., have purchased the business from Mr. Hatfield.

Both of the new proprietors are experienced in the business and are expecting to give it their undivided attention. The firm will be known as Swaby & Johnson.

The retail end of the business will be developed and the firm will continue to purchase poultry and eggs throughout a wide territory. Messrs. Swaby and Johnson have the confidence of their friends who are one in expecting their business prosperity.

LINEMAN M. T. DEATH
AT BEARDSTOWN

Beardstown, Ill., June 5.—L. J. Breen, 21, son of Chief Police Sergeant Breen of Chicago, a lineman for the Western Union Telegraph company, was electrocuted here this morning when he came in contact with a 2300 volt wire of the Central Illinois Public Service company. He had been at work stringing cables.

CURTIS DID NOT WANT BANK LISTED WITNESS TESTIFIES

Objected to Having it Designated as Bank in Directory

(By The Associated Press)
WAUKESHA, Ill., May 5.—Vernon S. Curtis, co-defendant with Governor Len Small on charges of conspiracy to defraud the state, objected to having the Grant Park Bank—which the state alleges was a fictitious creation for the manipulation of public funds—listed as a bank in a banker's directory, according to evidence today at the trial of the governor.

Thru Marshall H. Jackson of Dwight and M. H. Jackson, a Chicago bank supply house who furnished the equipment for the Grant Park Bank, the state brought out that Mr. Curtis asked the witness to call up the banker's directory publishers, after they had made inquiries about the new bank and tell them that it "was not going to be engaged in banking business."

One ledger, rubber stamp, 500 time certificates of deposit, 500 demand certificates of deposit, 500 deposit slips, 500 letterheads and 500 envelopes, constituted the equipment ordered from him for the bank, Mr. Jackson testified.

JURY OBSTACLES

BERLIN STREETS
FULL OF BEGGARS

BERLIN — Although public mendicancy is forbidden by law, the streets of Berlin are full of beggars who, especially after dusk importune passersby with harrowing tales, some of which may be true.

Mutilated war victims, who exhibit genuine scars on the sidewalk, are always sure of public charity, but many others of the fraternity resort to more or less transparent tricks to excite compassion. They have established a "trade union" in a northern suburb where, according to reports, about 150 learners are being trained in the art of begging, including "making up."

Then a bailiff took them for a walk, and the jury decided to go fishing, but the bailiff declined to walk to the end of the half mile lighthouse pier and the disgruntled jurors finally were forced to fish in shallow water.

Today the jurors presented a petition to Judge Edwards asking longer hours in court. They objected to the working day selected by the lawyers—10 A. M. to 4:30 P. M.—and proposed starting at 9 A. M. and working until 5 P. M.

The attorneys and court agreed to a compromise of 9:30 A. M. to 4:30 P. M., with one hour for lunch instead of an hour and a half.

The jurors celebrated their partial victory by asking permission to mow the judge's lawn and plant his garden this afternoon. It was granted.

WAVERLY BOY SCOUTS CAMP AT NICHOLS PARK

A troop of Boy Scouts from Waverly arrived in the city Monday morning and are now in camp at Nichols park. The boys are in charge of the scout master, Rev. O. R. Thom, pastor of the Congregational church at Waverly, and will spend a number of days at the park. They made the trip to the city by automobile, E. B. Wyle being one of those who accompanied them.

BROTHERHOOD THEME OF PRESIDENT HARKER

High Life Ideal Voiced in Baccalaureate Address to Woman's College Seniors—Special Music a Feature of the Service.

At the baccalaureate service of Illinois Woman's college at Centenary church Sunday morning a large audience was present. There was special music by a quartet from the college, with Miss Myrtle Larimore at the organ.

Dr. J. R. Harker delivered the sermon, his theme being, "God's Measure of Our Love to Him." Rev. T. H. Tull, Rev. C. D. Robertson and Rev. G. W. Randle took part in the service.

Dr. Harker talked about brotherhood and in his summary said there were four classes of human relationship. In the first place there is savagery, one man attacking another. The second consideration is mere retaliation, on the theory of an eye for an eye, a tooth for a tooth. In the third relationship the golden rule applies and men do as they would be done by. The speaker urged a higher ideal and said man's duty was not done until his attitude to his fellow man was that voiced by the Redeemer when He said: "Love Men as I Have Loved You." Such was the ideal of brotherhood held before Dr. Harker's audience.

Address to Graduates.
In his special address to the class Dr. Harker said:

"Life's most fundamental problems are very simple, if we are willing to accept the truth. But always and everywhere men insist on making these problems more and more complicated, so that we become confused and uncertain, and lose ourselves in the ayes of unprofitable and unending discussions."

The history of the world, and also of the church, is a record of councils and conferences and conventions, in which creeds have been formulated and adopted after bitter controversies, to be enforced at the point of the sword with fanatical zeal and most unchristlike spirit. In place of God's simple requirements there have always been substituted the grievous and burdensome traditions of men. Christ's mission on earth was to set men free from these self-imposed limitations, to tear down all these walls of separation between man and God, and between man and man, and to reveal in its simplicity the glorious liberty of the Gospel.

"A new commandment," He says. "I give unto you, that ye love one another as I have loved you." Just to love without limit, and in complete self abandonment, putting away all creeds, all traditions, all the multiplied and multiplying requirements, rules and regulations which men insist on imposing, and in one simple, sweeping, fundamental relation fulfilling all the law, traveling the second mile, not by compulsion of obligation, but in sheer delight of love. This is the program of Jesus Christ. Let us get back to Him.

"So many gods, so many creeds, So many roads that turn and wind. When just the art of being kind Is all this said world needs."

Vocal Solo—William Ooley, of Los Angeles, Cal.
Violin Solo—Miss Helene Sorrells.
Vocal Solo—Miss Beulah Tull.

AMERICAN LEGION
Attention! Business meeting tonight, at 8 o'clock.

ELM GROVE

Misses Louise Fearnley-Brown, Ruby Watt and Mrs. Joe Barnhart spent Friday afternoon with Mrs. Ragan and daughter.

Mr. and Mrs. E. L. Hamel and family were Sunday visitors at the home of Mr. and Mrs. W. L. Leach.

Fred Masters and sister, Miss Jessie Masters, visited with Mr. and Mrs. Harry Stringer near Murrayville Sunday evening.

Mrs. Stainsforth called on Mrs. Simpkin Friday afternoon.

Mrs. Fred Tucker and children spent Sunday with Mrs. Pearl Angelo.

Willie Flynn was a Sunday afternoon caller in Jacksonville.

STATE HOSPITAL BAZAR WAS GREAT SUCCESS

The bazaar which was given at Jacksonville State Hospital Monday afternoon and evening was a most successful event. A total of \$25 was taken in and this will be added to the fund for the Fourth of July celebration at the institution. The articles which were offered for sale were made by patients in the occupational therapy department and everything met with a ready sale.

After the bazaar several hours were spent in dancing at Amusement hall.

Raymond Funk has returned from Washington University in St. Louis and will spend the summer vacation at home.

Mr. and Mrs. Frank Hicks and baby motored from Woodhouse Saturday evening and Mrs. Hicks will remain for a short visit with her mother.

Daniel Smith has arrived home from Illinois University and will spend the vacation here.

Mr. and Mrs. Frank Hicks and baby motored from Woodhouse Saturday evening and Mrs. Hicks will remain for a short visit with her mother.

Strawberries \$2.75 per crate. Call Denny's, phone 477.

DRAWS PLANS FOR ROODHOUSE CHURCH

Plans for remodelling the Christian church of Roodhouse are being drawn by J. K. C. Piereson, local architect, who recently went to Roodhouse to get the necessary data. The work of remodeling will begin as soon as the specifications are completed.

LEAVE FOR MICHIGAN

Mrs. E. E. Crabtree and son Farrell left last night for Chicago on their way to Omens, Mich., where Mrs. Crabtree will spend the summer. Farrell will be there for a number of weeks and then will join a party on a camping expedition to Montana.

tions, more pride of learning, more gowns and hoods, more academic processes, but more recognition of the obligation of the college to serve the community a greater willingness of college graduates to come into closer and more loving and helpful touch with men and women, and to use their educated abilities wherever most needed in Christ's service after the mind of Christ.

"Our college is seeking to promote this simple program of Jesus Christ. We send you out as our representatives to carry love and Christian fellowship and unselfish service into homes and communities and into every relation of life. Love God with all your heart and soul and mind and strength; but prove that love wherever you go, not alone by direct profession but by devoted, unselfish lives, ministering in Christ's name to human need wherever you find it.

"In this way you will fully justify your Alma Mater. It will be greatly worth while for men and women to give freely of their means to end and equip the college, if we send out every year an increasing number of educated women, who are unselfishly dedicating their trained abilities to Christian service.

"The most far reaching truth of life is that God has incarnated Himself present, in every human life,

without distinction of race, or nationality, or class or condition. He measures our love to Him by our recognition of Himself in our fellowmen. He repudiates and refuses our so-called love to Him in the abstract, but He craves and honors and rewards even the smallest act of love and service shown to Him in the person of even the least of one of His children.

"May you so illustrate this great truth in your daily lives that at the great day He will be able to say to you, 'Come, ye blessed of My Father, inherit the Kingdom prepared for you from the foundation of the world. For I was hungry, and ye gave me meat.' And when you say, 'Lord, when saw we Thee hungry, and fed Thee?' The King will answer:

"Inasmuch as ye did it unto one of the least of these, ye did it unto Me."

Strawberries today only \$3.00 a crate. W. S. Cannon Produce Co.

PROGRAM PREPARED FOR C. C. DINNER

A splendid program has been arranged for the annual dinner of the Chamber of Commerce, which is to be held this evening at six o'clock in Central Christian church. Addresses will be given by Field Director Moss of the Illinois Chamber of Commerce, and J. H. McLaughlin, field director for the American City Bureau. Several musical numbers will give variety to the program. Reports will be made by the president, R. Y. Rowe, and the treasurer, E. A. Brennan during the course of the evening. The following musical program has been arranged:

Vocal Solo—William Ooley, of Los Angeles, Cal.
Violin Solo—Miss Helene Sorrells.
Vocal Solo—Miss Beulah Tull.

The bazaar which was given at Jacksonville State Hospital Monday afternoon and evening was a most successful event. A total of \$25 was taken in and this will be added to the fund for the Fourth of July celebration at the institution. The articles which were offered for sale were made by patients in the occupational therapy department and everything met with a ready sale.

After the bazaar several hours were spent in dancing at Amusement hall.

Raymond Funk has returned from Washington University in St. Louis and will spend the summer vacation at home.

Mr. and Mrs. Frank Hicks and baby motored from Woodhouse Saturday evening and Mrs. Hicks will remain for a short visit with her mother.

Daniel Smith has arrived home from Illinois University and will spend the vacation here.

Mr. and Mrs. Frank Hicks and baby motored from Woodhouse Saturday evening and Mrs. Hicks will remain for a short visit with her mother.

DRAWS PLANS FOR ROODHOUSE CHURCH

Plans for remodelling the Christian church of Roodhouse are being drawn by J. K. C. Piereson, local architect, who recently went to Roodhouse to get the necessary data. The work of remodeling will begin as soon as the specifications are completed.

LEAVE FOR MICHIGAN

Mrs. E. E. Crabtree and son Farrell left last night for Chicago on their way to Omens, Mich., where Mrs. Crabtree will spend the summer. Farrell will be there for a number of weeks and then will join a party on a camping expedition to Montana.

SCOUTS NOW HAVE ROTARY COTTAGE

Troop Six and Juniors There for Week—Regular Camp Schedule Will be Followed.

Boy Scout troop No. 6 and the Junior Scouts of Congregational church are the occupants of the Rotary cottage at Meredosia this week. The boys are in charge of Rev. G. E. Stickney, Scout Master, and his assistant, Franklin Scott. Both are quite experienced in Scout work and the boys are certain of a fine time. A regular schedule has been worked out for each day.

They traveled to Meredosia yesterday in nine automobiles. In this group are the following lads:

Malcolm Greenleaf, Beaumont Potter, Gene Wilder, William Wainwright, Bob Conover, Bokum Morris, Dick Daley, Ralph Hutchinson, Don Woods, J. V. Vosseller, M. Taylor, H. Rabjohns, James Merrill, Bill Marshall, Jim Martin, Louis McLaughlin, Dave Landers, Bill Vickery, Bill Wilson, Bill Milligan, Bruce Milligan, "Beans" Conkle, Bill Capps, Thornton Walbridge, Harry Capps, Troy Chapin, Carlton Hook, Bill Walton and Hugh Osborne.

SCOTT COUNTY FUNERAL IS LARGELY ATTENDED

Remains of Late George B. Wills Laid to Rest Sunday Afternoon at Alsey — Other News From Winchester and Scott County.

Winchester, June 5.—The funeral of the late George B. Wills was held at 2 o'clock Sunday afternoon from the Baptist church at Alsey. It was one of the largest funerals ever held in the community, as the deceased was so widely known and respected.

Among those in attendance were relatives and friends from Winchester, Glasgow, Manchester and Roodhouse and the church was not adequate to accommodate all who attended.

The services were in charge of Rev. W. R. Johnson and music was furnished by a quartet including Mrs. W. E. Kinison, Miss Mabel Wilson, Miss Martha Higgins, Messrs. George W. Owings and S. G. Smith.

The opening number of the quintet was "It is Well With My Soul" followed by the reading of the scripture lesson by Rev. Mr. Johnson. Then "The Haven of Rest" was sung and an obituary sketch was read by Rev. Mr. Johnson. The quintet then sang "Beautiful Isle" and this was followed by prayer by Rev. Mr. Williams of Manchester. A solo, "Face to Face" was sung by S. G. Smith and then Rev. Johnson delivered the funeral discourse. The closing number by the quintet was "The Christian's Goodnight."

There were many beautiful flowers and these were cared for by Mrs. Melvin McLaughlin, Mrs. Earl McLaughlin, Misses Jennie Stewart, Leila French, Myrtle and Alma Renner.

The active pall bearers were Noble and Earl McLaughlin, William and Elmer Stewart, Bert and Jessie Wills. The honorary bearers were C. W. Rose, S. A. Woodall, David Hainsfurther, George Hieronymus, J. C. Neat and Fred Neat.

NEWS NOTES.

Mrs. Minnie Dyer of Canton is here for a visit with relatives and friends, this being her first visit to Winchester in a number of years.

Nathan Hamilton arrived Saturday night from Marion to visit friends.

Warren Woodall, son of Mrs. Stella Woodall, met with a painful accident Monday morning. He was playing with firecrackers and when one of them failed to explode after being lit, he thoughtlessly picked it up and placed it in his mouth. The firecracker exploded and he was painfully burned. Dr. O'Reilly gave the necessary medical attention and the lad is congratulating himself that he was no more seriously injured.

Miss Nell Ring has returned home from a ten days' visit with friends in Morrisonville.

Mrs. W. R. Johnson and little daughter, Jane, have returned home from a visit with relatives in Omaha, Nebr.

Gorwin Mawson arrived Monday from Springfield for a short visit with his grandmother Mrs. Robert Mason.

Mrs. Abbie Haymaker returned Sunday to her home in Bushnell after being called here by the sudden death of her father, William Hicks.

Daniel Smith has arrived home from Illinois University and will spend the vacation here.

Mr. and Mrs. Frank Hicks and baby motored from Woodhouse Saturday evening and Mrs. Hicks will remain for a short visit with her mother.

Sport! Sport! Sport!

The spirit of attractive sport attire is caught to perfection in the flat bottom combinations of white and black, smoked horse, pearl and brown. You will be delighted with our splendid offerings in sport footwear. Prices reasonable.

We suggest for your vacation trip that you lay in a supply of footwear of the various kinds, bedroom slippers, polishes, shinners and laces.

CLASS REUNIONS AND LUNCHEONS AT WOMAN'S COLLEGE

Many Former Students and Alumnae Present at Events

The noon hour was given to class reunions and luncheons at Illinois Woman's College and there were a large number of former students and alumnae present in the college dining rooms at noon. The class of '08 held a reunion this year and Monday morning at nine o'clock Mrs. Jenne Harker Atherton, president of the class, entertained the other members at a reunion breakfast givings in the Home Economic dining rooms. Miss Edith Connally of New Port, Indiana, had charge of the plans for the reunion. The other members of the class who were present at the reunion were Mrs. Ruby Ryan Copper of New Holland, Illinois; Mrs. Rena Crum Sinclair, of Virginia; Mrs. Jessie Rhodes Pemberton, Oakland, Illinois; Mrs. Helen Coleen Powers of Terre Haute, Indiana; Mrs. Jenne Harker Atherton of Cincinnati, Ohio; and Mrs. Inez Prouty Canatsey and Miss Ethel Kimball of Jacksonville.

The class day exercises were given on the campus and the program throughout was most artistic. The first part of the program was a lovely dance given by all the members of the senior class. The girls were dressed in attractive, quaint costumes of rainbow colors and they gave a group of tableau dances. Two plays were given and between the plays Miss Viola Jungenich gave a most attractive solo dance.

The first play was an adaptation from the story by O. Henry, entitled "By Courier." Miss Hildreth Ashwood took the part of the Girl, and Miss Gladys Laughlin was "The Boy." Miss Margaret Hamilton was the Caddy who acted as the intermediary between the lovers and translated the love messages into his clever slang. The little comedy was most clever and found immediate favor with the audience.

"The Wonder Hat," by Hatch, was an artistic fantasy, prettily staged and acted with ability. Miss Miriam McOmber was the charming and lovely Columbine and Miss Mary Rose Adams played the role of Margot, Columbine's attendant. Miss Harriet Kays was Harlequin, the lover; and Miss Ada Clotfelter took the role of Pierrot, also suing for the hand of Columbine. Miss Carmen Dugger was the old peddler who sold "old loves for new," and gave to Columbine the Enchanted Slipper and to Harlequin the Wonder Hat which made him invisible.

Society Receptions

Following the class day exercises on the campus the different societies held receptions in their halls. This is a time when the former students of the college meet again and yesterday there were an unusually large number at the society receptions. Miss Verna Mershon, president of Phi Mu society, was in charge of the reception in Phi Mu hall. Miss Marian DePew was the Theta Sigma hostess. Miss LeNoire Kriegle, president of Belles Lettres, was in charge of the reception in the latter hall, and Miss Margaret Merker, the president, was in charge of the reception in the Lambda Mu hall.

Over one hundred and fifty alumnae, faculty members and trustees of the college were present at the Alumnae Reunion and supper held at Centenary church at five-thirty o'clock. The feature of the gathering was the inauguration of the new and beautiful college custom, the observance of "Candle Lighting Days." When the guests had all gathered in their places Miss Vera Wardner of Winchester, president of the Alumnae Association, spoke a few words of greeting to the members and the girls of the Class of '22, the seniors, who were special guests. She then introduced Dr. J. R. Harker, who responded to the toast, "How far the little candle throws it beams, so shines Illinois Woman's College thru the world." Dr. Harker spoke of the vision of the candles when in the future they shall carry the light of I. W. C. into many lands. Last night, all over the world, whenever a Woman's College girl was living she lighted the yellow and blue candle. This custom is to be observed twice during each year, once at commencement time and in the fall on the tenth of October, Founder's Day. Following Dr. Harker's talk the candles were lighted all over the room. The two at the speaker's table were lighted by the president of the Alumnae Association and by Mrs. Alice McElroy Griffith of Jacksonville, the oldest living representative of the college, who graduated seventy years ago in the first class that ever went out from I. W. C.

The guests at the supper were seated at small tables and a number of resident alumnae acted as hostesses. Each table bore the yellow and the blue candles and the flowers used at each table were a lovely combination of yellow and blue, carrying out the college colors. Following the serving of the supper the annual business meeting was held. The meeting was called to order by the president, Miss Vera Wardner, and Miss Lois Coultaus of Winchester read the minutes of the last annual meeting. Miss Mary Johnston, faculty advisor of the senior class, then presented the Class of '22 for admission into the Illinois Woman's College Alumnae Association. Miss Janette Powell, in behalf of the association, welcomed the class and Miss Mildred Mayer, president of the

Class of '22, gave a word of acceptance.

Several reports were given from the Illinois Woman's College societies that have been founded in various cities. Miss Helen Irwin gave a report of the Chicago society which has a membership of over one hundred. Mrs. Norton Warren of Mt. Vernon, Illinois, read a letter telling of the work of the college society in Kansas City. Miss Agnes Paxton of Jacksonville gave the annualist report which told of the activities of I. W. C. girls during the past year and Mrs. Louis Moore Gilbert gave the treasurer's report which showed a larger amount in the treasury than at this time last year.

Officers Elected

Miss Vera Wardner was re-elected president of the alumnae association for the coming year. The other officers named were as follows:

First vice president—Miss Hildreth Ashwood, Rushville.

Second vice president—Mrs. Leo McCutcheon Thompson, Jacksonville.

Corresponding secretary—Mrs. Anette Rearick Lohman, Ashland. Recording secretary—Miss Lois Coultaus, Winchester.

Treasurer—Mrs. Louise Moore Gilbert, Jacksonville.

Directors—Mrs. Nell Taylor, Miss Irene Merrill, Mrs. Alice W. Applebee, and Mrs. Nannie B. Botkins.

It is possible that steps may be taken thru the public improvement act for the construction of this improvement.

A communication was read referring to the action of the chamber of commerce in advocating the city plan commission, and suggesting that such a commission be appointed. On motion of Alderman Lonergan with a second by Alderman Rowe, the council went on record as favoring the appointment of such a commission of seven.

The question was asked if there would be much expense in connection with the matter and Mayor Crabtree's reply was that in some cities the council had made provision for a very small fund for the work. The mayor also mentioned that a city plan commission had been established in Decatur, Quincy, Springfield, Bloomington and a number of other central Illinois cities.

Alderman Lonergan as chairman of the finance committee called attention to some figures for the first five months of the year, which he said indicated that economy must be practiced for the remaining seven months or a heavy deficit would be certain.

Alderman Flynn expressed the hope that the citizens sewer committee at no distant date would do something to help along the project of securing a trunk sewer as the need for a larger sewerage system is constantly in evidence.

Alderman Harmon asked for more time for his committee in determining just exactly the amount of city land in connection with the dumping ground.

Alderman Chapin reported that the city reservoir has just been thoroly cleaned and is now being refilled with water. After all the water had been released from the reservoir the mud was removed and the sides and bottom of the reservoir were thoroly scrubbed. Then the whole was flushed.

Alderman Chapin also made mention of the results from 54 tests made by Mr. Stoltz at the water plant of water taken from wells in various parts of the city. Only fifteen of these samples proved safe for use.

An ordinance with an emergency clause was adopted providing for a sidewalk on the west side of Lurton street between College avenue and College street.

W. H. Cocking reported the work of oiling the streets is moving along satisfactorily and that 5,000 gallons of oil have thus far been applied.

Lloyd S. Reid, who has charge of caddies, needs more boys who are competent in this work. There is good pay for this work and boys are asked to make application. The work of laying the water mains for the course was begun Monday under the direction of Supt. Hopper.

HERMAN OPPERMANN, JR. better known as "Dates," skilled auto mechanic, all cars and trucks, for many years with the late George Barnier, has been employed by us, beginning today. Bring your work to a fully equipped, skilfully operated shop. Satisfactory work at fair prices.

McNAMARA & HOUSTON

AIDING FARMERS

IN FLOODED AREA

Sidney B. Smith of Decatur was a visitor in Jacksonville yesterday, on the way to Carrollton. Mr. Smith is well and favorably known in Morgan county, as he spent a number of weeks here two years ago in the organization work in connection with the Morgan county farm bureau and the Illinois Agricultural association. He is temporarily representing the agricultural association in the purchasing of farm products for the Red Cross to be distributed among the farmers in the area damaged by floods.

Mr. Smith has been in this work for several weeks, making special expeditions into areas flooded along the Ohio, Wabash, Mississippi and Illinois rivers.

COUNCIL FAVERED CITY PLAN PROGRAM

At suggestion of Chamber of Commerce Commission of Seven Will be Named—City Reservoir all Bright and Shiny—Economy is Urged for Remainder of Year—Monthly Reports Filed.

Most of the business presented at the city council session Monday night was of a routine character. Mayor Crabtree, City Clerk Scott and all of the eight aldermen were present. A petition was presented with reference to changing of a light near Grove and Prospect streets and Alderman Ehnie reported that the wish could be granted without expense.

A petition was read from residents of North Diamond street north of the railroad, objecting to building of a sewer there, and it was referred to the sewer committee.

H. K. Snyder was present to take the council that the water supply for the Snyder ice plant is insufficient and to suggest the laying of a main along Washington street. This matter was referred to the public improvement committee and the water committee.

It is possible that steps may be taken thru the public improvement act for the construction of this improvement.

A communication was read referring to the action of the chamber of commerce in advocating the city plan commission, and suggesting that such a commission be appointed. On motion of Alderman Lonergan with a second by Alderman Rowe, the council went on record as favoring the appointment of such a commission of seven.

The question was asked if there would be much expense in connection with the matter and Mayor Crabtree's reply was that in some cities the council had made provision for a very small fund for the work. The mayor also mentioned that a city plan commission had been established in Decatur, Quincy, Springfield, Bloomington and a number of other central Illinois cities.

Alderman Lonergan as chairman of the finance committee called attention to some figures for the first five months of the year, which he said indicated that economy must be practiced for the remaining seven months or a heavy deficit would be certain.

Alderman Flynn expressed the hope that the citizens sewer committee at no distant date would do something to help along the project of securing a trunk sewer as the need for a larger sewerage system is constantly in evidence.

Alderman Harmon asked for more time for his committee in determining just exactly the amount of city land in connection with the dumping ground.

Alderman Chapin reported that the city reservoir has just been thoroly cleaned and is now being refilled with water. After all the water had been released from the reservoir the mud was removed and the sides and bottom of the reservoir were thoroly scrubbed. Then the whole was flushed.

Alderman Chapin also made mention of the results from 54 tests made by Mr. Stoltz at the water plant of water taken from wells in various parts of the city. Only fifteen of these samples proved safe for use.

An ordinance with an emergency clause was adopted providing for a sidewalk on the west side of Lurton street between College avenue and College street.

W. H. Cocking reported the work of oiling the streets is moving along satisfactorily and that 5,000 gallons of oil have thus far been applied.

An ordinance with an emergency clause was adopted providing for a sidewalk on the west side of Lurton street between College avenue and College street.

W. H. Cocking reported the work of oiling the streets is moving along satisfactorily and that 5,000 gallons of oil have thus far been applied.

EVERETT TRUE**POSTERS SHOW BOOKS
FOR D. V. B. SCHOOL**

A poster calling attention to the books on subjects relating to the Daily Vacation Bible school, is on display in a conspicuous place at the Public library. The library staff is cooperating with the ministers and teachers of the school in making the movement a success. A list of books which will be of help to the teachers has been compiled and the books have been placed on a special reserve shelf in the main reading room of the library.

The list is divided into the following classes of literature which pertain to the school, the pupils and the methods of teaching Methods: Little Children in the Sunday School; History of the Sunday School Movement; The Sunday School Superintendent; Story Telling and Bible Stories; Study and Interpretation of the Bible; Hymns and Prayers; Special Days in the Sunday School; Child Study and Psychology.

Mrs. Nathalie Scribner, the children's librarian will tell stories every Thursday morning to the children enrolled in the Primary department. The list of these books has been sent to all the teachers and ministers interested in the movement and will no doubt add their part to the success of the Daily Vacation Bible School.

Jenkinson.

OLD RESIDENT NEAR DEATH

"I had not eaten food for 10 days and was slowly starving to death. Given up by five doctors, I tried a bottle of Mayr's Wonderful Remedy, which gave relief at once. I am 75 years old and would have died but for your wonderful medicine. The jaundice is all gone and I am gaining appetite and strength every day." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.—Adv.

**CHILDREN'S DAY AT
MANCHESTER CHURCH**

Interesting Program Carried Out at Christian Church Sunday Morning—Other Manchester News.

Manchester, June 5.—Children's Day and Mission Sunday was observed at the Christian church on Sunday morning with a program following the Sunday school hour. The program the short was well rendered and gave evidence of careful training which speaks well for the committee in charge. Following is the program given:

Song—School.

Scripture reading.

Recitation, "A Cry from the Congo"—Margaret Boston.

Recitation, "A Brave Little Miss"—Grace Cooper.

Song, "Little Workers"—Ruth Seal.

Recitation, "Go or Stay"—Bonnie Bird Barner.

Recitation, "A Cry from India"—Edna Mae Herron.

Song—Primary Class.

Recitation—Mildred Chapman.

Exercise—I Represent.

Exercise—What Tithing Means.

Talk—Mrs. Chas. Leitz.

At the close of the program the offering was taken amounting to \$18.50.

Mrs. Martha Story and son Morgan motored to Greenfield Sunday where they visited relatives.

Mrs. G. D. Barnes went to Jerseyville Sunday for a visit with her son and wife.

Mrs. Walter Scott and children of near Winchester visited relatives here Sunday.

Mr. and Mrs. Chas. Thady went to Broadlands, Ill., Sunday morning called there by the serious illness of the former's sister, Mrs. Jacob Swick.

Mr. and Mrs. J. H. Rimbley of Jacksonville spent Sunday with Mrs. Rimbley's mother, Mrs. Mary Uope.

Miss Eva Gunn spent Saturday with relatives in Jacksonville.

Eugene A. Rochester returned Friday night from Union where he spent the past winter as principal of the schools.

The program will be given by the Intermediate Sunday school class who will give a play, "Children of Many Lands" also the Crusaders who will give "Under Many Flags". The hostess will be Mrs. E. A. Jenkinson.

OLD RESIDENT NEAR DEATH

"I had not eaten food for 10 days and was slowly starving to death. Given up by five doctors, I tried a bottle of Mayr's Wonderful Remedy, which gave relief at once. I am 75 years old and would have died but for your wonderful medicine. The jaundice is all gone and I am gaining appetite and strength every day." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists.—Adv.

NEWS OF THE SPORT WORLD

INDEES WIN GAME BUT DON'T KNOW IT

Give in to Argument of Springfield Umpire and Players on Play in Ninth—Final Score Shows Visitors Victors 8 to 6.

Frank Smith's Indees won a game from Roberts Brothers of Springfield at South Side park Sunday afternoon and never found it out until after the game was over and the visitors were returned the apparent winners.

The play came up in the ninth inning with two men down and one run across the plate. The locals had broken a tie by making a run in the sixth when the score was 3 all. They added one for good measure in the eighth, in the first half of the ninth. It looked like easy money for the Indees.

However, Farrell who had not made a hit all day came up and bunted one of Hamm's offerings deep left. Rush reached the ball after a hard run but stepped in a hole and fell as the ball struck his hands. Farrell reached third base. Z. Lascody likewise helpless before Hamm's slants also found one for his liking and hit it deep left center for three sacks, scoring Farrell.

Jansen was out Devilin to Wheeler and Segin struckout.

GRAPE SMACK

The DRINK that won the country overnight

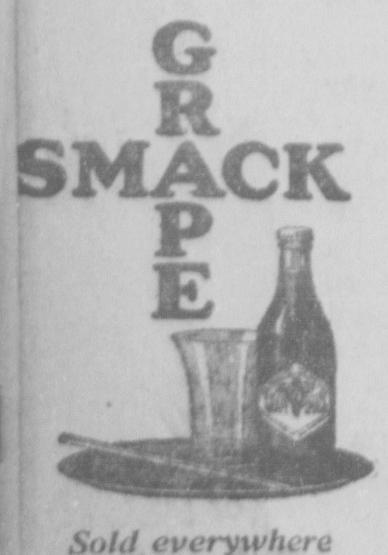

Here's to Your Health!

Granddaddy likes it! The children love it. It appeals to young and old alike. Delicious grape flavor, sparkling, effervescent. Never has there been a drink that won such instant favor — everywhere. There's a quaintness and tang to its flavor — a sparkle and snap to its taste — you'll know instantly why it won the country overnight.

Greer hit one a mile a minute thru the pitcher's box. The ball hit Umpire Donahue. Z. Lascody scored on the hit. Donahue called the batter safe and ordered Farrell back to third.

This raised a big argument, the Springfield umpire and players contended that the run should count. Finally Manager Smith told Donahue to go ahead with the game and allow the run. Mr. Donahue did this but he still contended that he was right. Consultation of the rules proved he was too.

The game then went into the tenth inning and Springfield scored three runs and the Indees were unable to get but one. While the box score, which had been compiled before the rule was looked up shows the score 8 to 6 in favor of Roberts Brothers, the score really was 5 to 4 in favor of the Indees in the regulation nine frames.

With the exception of the fourth inning when Roberts tied the score the first time Hamm pitched good ball. In this frame he walked three men and two of them scored. Jansen was tight in the pinches and with good support was able to turn the Indees back several times when it looked as though they would score.

The game was marked by some good fielding. Burkery made some phenomenal stops and throws while Wheeler grabbed several bad ones at first base. Maurer made a great catch off of Wheeler in the ninth when he pulled down his long drive in deep center after a hard run.
